

## **READ ME FIRST**

### **Hamlin Plantation Architectural Review Board (ARB)**

The Hamlin Plantation ARB reviews exterior home projects for adherence to the esthetics of the neighborhood and governing covenants. Owners are responsible for adherence to ordinances established by the Town of Mt. Pleasant.

Please find ARB documents under Documents/Resident Documents/ARB

- Locate the folder that pertains to your project
- Inside the folder you will find the following documents;
  - General Guidelines for All Projects
  - Project Checklist
  - Project Application
  - Additional Guidelines (if applicable)
  - Project Completion Form

In order to streamline the processing of your application, please read everything carefully and be sure to submit all required documentation.

In order to obtain your refund, once your project is complete, submit the Project Completion Form found in the folder. Once the final inspection of the project is complete, the refund will be mailed to the homeowner.

#### **PROJECTS WITH MULTIPLE PARTS** (eg a pool with a fence and removal of trees)

Please fill out the appropriate application for each part of the project

Please submit only one fee (fee should be the highest \$ value of all projects involved)

If legible, it is permissible to have all aspects of the project on one plat or site map
