

Failure to Obtain ARB Approval for Exterior Home Projects

Any exterior project without ARB approval is in violation of the Hamlin Plantation Covenants.

Projects in violation will receive an email from Management notifying the homeowner that they are in violation.

Any work in progress should be halted immediately. Any completed projects will be provided a detailed description of the issue and next steps.

Owners should be aware that under our Covenants the ARB has the authority to impose fines of up to \$250 a day for unapproved projects.
